  - Plan to come to school on 11/3/22 to watch your student RUN!
- Everyone is welcome to watch this year - bring siblings, parents, and grandparents too!
- To raise money, students ask neighbors, friends, and relatives to pledge a flat amount or dollar amount for the number of laps they can run around Candalaria's track in 20 minutes. Return envelopes with any \$ collected so far to the school Oct. 31- Nov. 2. After the Fund\$ Run on Nov. 3rd, the pledge envelopes are returned to students indicating the number of laps they ran.
